## Orange Cranberry Spa Water with a Twist

### Ingredients

- 2 Medium-size Oranges, sliced
- 1 Handful of Cranberries (pierced down the center)
- Small sprig of fresh mint leaves

### Directions:

1. Place all ingredients into a large spa water pitcher or infusion device with approximately 2 liters of water.
2. For best results let it steep overnight.
3. Garnish with mint leaf or a piece of sliced orange on the side of the glass for a classy touch.
