Our Members Remember: 25 Years of Rewards

Here's a sampling of stories from our first members ... reflecting a quarter century of Marriott Rewards. Explore memories from them, benefits on tap for you.

"Over the past 25 years, I have stayed at over 200 Marriott properties and earned more than 4 million points – enabling our family to enjoy vacations in Maui, Cancun, Palm Desert, Marco Island, Washington, D.C. ... and best of all, the Camelback Inn® in Arizona." – **David Bartholomew**

"I have played golf in Desert Springs, drank a pint in London and gone to Oktoberfest in Munich Taught my kids to play golf at Absecon, NJ, tanned on Caribbean islands and lost golf balls at Doral in Miami. Shortly before my dad passed away, I went skiing in Vail with him and my brothers – the resort upgraded us to the presidential suite. It was great to see Dad in that hot tub."

– **Tom Troja**

Bill and Shirley Hoey in Salzburg, Austria

'It's the warm service that sets Marriott apart' **Vince Dantone**

Marriott stays: "Los Angeles, Chicago, Miami, New York, Puerto Rico, Virgin Islands and more."

Favorite story: "Family celebrations! When my wife Kathy and I went to the San Juan Marriott for our 26th anniversary, Chef Cesare of Ristorante Tuscany served the Valentine's menu a day early – just for us. The staff there is incredible – it's the warm service that sets Marriott apart, everywhere. When we stayed in New York for Father's Day, the clerk gave us a room with a Central Park view; when we went to Montréal to celebrate my daughter's junior high graduation, the staff helped us find the best things to do – like going white-water rafting on the Saint Lawrence River."

Favorite discoveries: "In Puerto Rico, it was Vega Baja – an idyllic secluded cove. In St. Thomas, it was Magens Bay. And at Frenchman's Reef resort, we loved the romantic view of the harbor ... ships sailing in, and turquoise-clear water that looks like glass."

About Marriott Rewards: "It's the best rewards program in the business. When my daughter, Courtney, graduated from college, I made sure she became a member. I'll sleep soundly, knowing she's staying at Marriott on the road."

'Munich & Mozart – the rewards keep rolling in' **Bill and Shirley Hoey**

Marriott stays: "Around the U.S. – and around Europe: UK, Belgium, Germany, France, Austria, Switzerland."

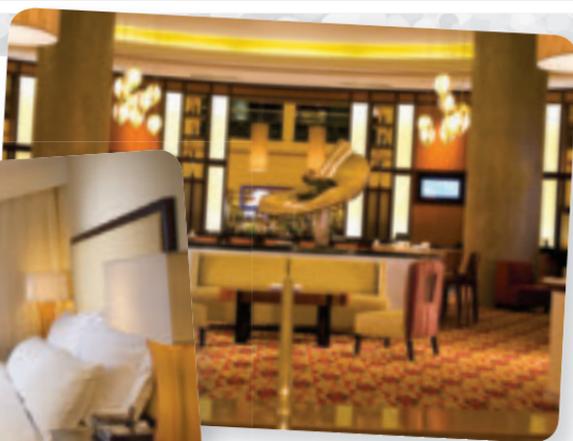

Why a frequent traveler: "Clients and cases ... Bill is a retired trial lawyer and mediator."

Rewarding story: "All 25 years of Marriott Rewards! It's opened new horizons for us. Soon after we joined, we attended the Grand Opening of the Marriott World Center; then we bought a timeshare at the adjacent Marriott's Sabal Palms – our family has used it every year. With all our travel, the rewards keep rolling in ... so we take vacations in Europe and pay for airfare, hotel and car with points! Some favorites have been Oktoberfest in Munich, concerts in Vienna and looking up family history in Germany and the United Kingdom."
