

Room to live.

## Penthouse Suite

### **Penthouse**

This Bi-Level Suite allows you to define your own space. There is a loft bedroom with private bath and on the ground floor a full kitchen, a living room with fireplace, and a second private bath. Additionally, there is extra space you can adapt for your needs.

First floor bedrooms have either 1 king-size bed or 2 double-beds. The 2<sup>nd</sup> floor master bedroom has one queen-size bed.

Sofa sleepers are available in all suites.
