- 2006 National Public Course and Overall winner of the Environmental Leaders in Golf Contest sponsored by Golf Digest Magazine and the Golf Course Superintendents Association of America
- 2006 “Grand Award” in the Golf Division of the Professional Grounds Management Society’s National Green Star Contest

Certifications

- Evergreen Marriott Conference Resort is the first hotel in the Country and the 55th Business worldwide to earn Certified Audubon Cooperative Sanctuary for Business status
- Stone Mountain Golf Club is the 12th Golf Course in Georgia to earn Certified Audubon Cooperative Sanctuary for Golf Courses status

REDUCING MARRIOTT’S CARBON FOOT PRINT FOR A CLEANER ENVIRONMENT

- Audubon Certified for Evergreen Hotel and the golf course
- Written ‘Tree Replacement Policy’ for Stone Mountain Park
- Extensive Habitat Enhancement programs that feature 87 nest boxes (hatched 311 fledglings in 2008), seed and nectar feeders, over two acres of habitat gardens, and the conversion of 12 acres into native grass/wildflower habitat
- Nationally recognized Integrated Pest Management program that has reduced chemical use throughout the property by 28%
- Recycle cardboard, newspaper and shredded office paper (also plastic bottles and aluminum cans from customer break areas)
- Irrigation is from lake water on the golf course and Evergreen Hotel
- Water conservation programs that have reduced our water use by 35%
- Water Recycle System at Laundry Facility for 75% saving in water use
- Speed drives on cooling tower, chiller pumps and major air handlers
- Property Environmental Committee monthly meetings
- Conservation walk of property every night to ensure lights and AC controls are off or set correctly in all offices, meeting rooms and public space areas
- Energy efficient lighting in 95% of property
