Food & Beverage

All food and beverage arrangements are subject to taxable service charge of 24% and applicable sales tax. Menu prices are subject to change based on availability of product. Boxed Vendor and Children's dinner menu pricing is available. We provide one bartender for every 100 adult guests. Bartender fees are included in our menu packages.

A food and beverage minimum amount is determined for each wedding, and varies depending on the number of guests, location and date. The food and beverage minimum does not include taxes, service charge, facility fee, room rental, décor or other unrelated items. The food and beverage minimum should not be considered an estimate of the costs for the wedding, as this will vary considerably depending on the specific details of your event.

Deposit and Payment

To secure your date, a signed contract and 25% percent nonrefundable deposit of your food and beverage minimum is required. A payment schedule will be established with an additional 25% of the food and beverage due at 90 days and 60 days prior to your event. The final estimated payment of the event is due 5 business days prior to you event if payment by credit card, 21 days if paying by check, A credit card authorization form must be completed, prior to the event, for any additional charges. 100% of all estimated charges along with the Final Headcount are due five business days prior to arrival, 21 days if paying by check (We Accept Credit Cards, Cashiers Check and Cash).

A complimentary suite will be provided for the bride and groom on the night of your wedding. Should you require overnight accommodations for your guest, a number of rooms at a reduced rate can be reserved under the name of your wedding.

Menu Tasting

The bride and groom of weddings of 100 or more guests will have the opportunity to experience their wedding menus at a tasting in advance of the wedding date. Smaller weddings can arrange a menu tasting at a discounted rate. Tastings can be scheduled with a two-week notice and take place Monday through Thursday at 1pm or 3pm. Please contact your Event Manager if you would like to schedule a tasting.

Hotel Policies

Outside caterers are strictly prohibited - The only food and beverage that will be allowed into the resort is the Wedding and/or Groom's Cake, (Per Georgia Code 51-1-31) prepared meal items from the resort are considered perishable and cannot be allowed to leave the Resort

Event Management

An event manager will be assigned and contact you within 10 business days of the sales manager receiving a signed contract. We strongly recommend that you secure the services of a professional wedding coordinator for all wedding ceremonies and receptions. If you are utilizing the services of a professional wedding coordinator, please make certain this person is present for all meetings with your Event Representative, to ensure that all parties involved have a clear understanding of what has been agreed upon.

Planning Schedule

Menu selections and planning can commence two to four months prior to your wedding. All arrangements with your various vendors (i.e. Photographers, musicians, etc.) should be finalized before this meeting. Your Event Manager will need a list of all vendors including contact names and cell phone numbers. Typically this meeting is done in conjunction with the menu tasting when applicable.

Rehearsal Times

Rehearsal times for ceremonies are offered as a courtesy to our brides and may be arranged through your Event Manager. Rehearsal times cannot be booked more than 30 days prior to your event. Rehearsals cannot be guaranteed in the same area as the ceremony; however every effort will be made.

Departing Celebrations

Sparklers, Flower petals and bubbles may be used to celebrate the departure of the bride and groom. Rice, confetti and birdseed are not permitted.
