A food and beverage minimum amount is determined for each wedding, and varies depending on the number of guests, location and date. The food and beverage minimum does not include taxes, service charge, facility fee, room rental, décor or other unrelated items. The food and beverage minimum should not be considered an estimate of the costs for the wedding, as this will vary considerably depending on the specific details of your event.

A payment schedule will be established with an additional 25% of the food and beverage due at 90 days and 60 days prior to your event. The final estimated payment of the event is due 5 business days prior to you event if payment by credit card, 21 days if paying by check, A credit card authorization form must be completed, prior to the event, for any additional charges. 100% of all estimated charges along with the Final Headcount are due five business days prior to arrival, 21 days if paying by check (We Accept Credit Cards, Cashiers Check and Cash).
