Function Space / Event Location

Meeting/Event room assignments are tentative and subject to change without notice. Rooms are assigned by the guaranteed number of anticipated participants. This is to permit the greatest flexibility for us to respond to unexpected changes (such as times, attendance, etc...) for all of our customers. The hotel reserves the right to change location to a more suitable sized area should the anticipated attendance significantly increase or decrease. Additional set-fees may be applicable. Advance publication of meeting space locations is not recommended

Food and Beverage Outside the Hotel

All food and beverage will be provided by the hotel and will be consumed within the time frame of the event as stated on the Banquet Event Order. Use of outside catering services, "take out" or delivery services (including bringing in your own food and beverages) is strictly prohibited in all meeting rooms. The hotel reserves the right to confiscate food and beverage that is brought into the hotel in violation of this policy without prior arrangements with the Event Management department.

Guaranteed on All Food and Beverage

We need your assistance in making your function a success. In arranging for all private events, the guarantee of attendance must be specified by customer at a minimum of **three (3) business days** in advance of the event. This number shall constitute the guarantee, not subject to reduction and changes will be made accordingly. Should a guarantee not be submitted by the required time, the estimated number of attendees on the signed Banquet Event Order (or signed contract) will become the guaranteed attendance number.

We prepare and staff to serve up to 3% over your guaranteed number.

Increases over the 3% may be subject to menu substitutions, service staff adjustments, and the hotel cannot be responsible for attendance greater than 3%.
