Aruba Marriott Resort
Meetings & Events

Marriott International

- o Statement
- o ECHO
- o Achievements
- o Awards

Statement

Marriott understands the role we play in our Environment. We work in partnership with our hotel owners and Franchisees to implement sustainable environmental practices, including conservation of natural resources, protection of indigenous wildlife and reducing and recycling waste wherever possible. Our practices reflect the environmental interest and concerns of our guests, associates, business partners and communities.

ECHO

Environmentally Conscious Hospitality Operations

Program provides guidance to our properties in four key areas:

- Energy and Water conservation
- Waste reduction and recycling
- Minimizing climate change
- Wildlife Preservation

Achievements

Marriott has been committed to the environment for 20 years and is substantially reducing greenhouse gases and improving the environment.

Programs making a difference include:

- The “Re-Lamp” campaign
- The Linen Reuse Program
- Marriott’s smoke-free policy
- Marriott’s “Ozone Activated Laundry”

Awards

- Conde Nast Traveler “World Savers Award 2007”
- Marriott International’s Tourism Leadership Award
- Flex your Power Award 5 times
- Sustained Excellence Award 2007
- ENERGY STAR Partner of the Year

Aruba Marriott Resort

- uses energy friendly light bulbs throughout the resort
- has the ECO-program in place for laundry services (to reduce daily changing of linen and towels)
- uses salt in stead of chlorine in the Resort's pool to reduce chemicals
- Cooking oil (deep fries) recycling for the use of bio diesel
- has a variety of food, carton board and glass containers through out the property to recycle waste materials

Aruba Marriott Resort

- created a durable shopping / beach bag, that will be donated to all associates and MVCI 'tour' guests, to reduce the plastic bag pollution on the island
- Uses recycled (grey) water for landscaping irrigation
- using recycled paper as notepads

- Durable mugs for all associates in a effort to reduce the use of plastic and paper cups
- regular beach and island cleanup days throughout the year
- supports TortugAruba

Actions

 *Think Green! Please consider the environment before printing this e-mail.*

Associate's Recycle Art contest

Aruba Marriott Resort

Green team committee

<http://playgroundgreenteam.com>

Mission:

To create, provide and manage the opportunities for the Aruba Marriott Resort associates to utilize, practice, and learn more about ecology and our environment through active participation in ecological and environmental activities to improve, implement, and maintain eco-friendly practices for their working and living environment, our community, and the world as a whole.

Meetings & Events

Meetings & Events green initiatives
