## REASSURINGLY SURPRISING

Welcome to a hotel where every moment is one of discovery. Prepare to see, hear, taste and feel something wonderfully new around every corner, on every floor and with every visit. Because at the Renaissance Bangkok Ratchaprasong Hotel, no two stays are ever the same.

## CENTRALLY SECLUDED

At the Renaissance Bangkok Ratchaprasong Hotel, guests are greeted by a 200 meter exotically landscaped driveway that leads them to our iconic blue glass building. Set back from the hustle and bustle, you're in Bangkok's most vibrant neighborhood yet secluded in your very own oasis. The hotel is a stone's throw away from Central Chidlom, Central World and Siam Paragon, Bangkok's swankiest malls, and just around the corner from the Chit Lom BTS Station.

## UNIQUELY DESIGNED

Our hotel has been specially designed to reflect modern Bangkok's ultra chic style. The recurring motif throughout the hotel is the Cassia Fistula Ratchaphruek, Thailand's national flower. It finds expression in a variety of beautiful ways and textures including in the Italian marble floor, glass windows, tanganyika wood furniture and even in the intricately carved leather upholstery.

## IMAGINATIVE LUXURY

Each of our 333 guestrooms and suits are elegantly furnished in warm, sophisticated colors. The bathroom is contemporarily designed and, because we know you like to pamper yourself, we've included a deluxe bathtub. We also know how much you love little surprises. So you'll find a different turn down gift on your bed for each day of the week.

## SENSORY DELIGHTS

Our lobby delights your senses with every step you take. The reception area is tastefully mood lit, while the rest of the lobby is replete with fascinating art and stylish, modern furniture. Our resident DJ keeps the mood upbeat with the latest tunes and mixes through the day.

## FEI YA

We don't just serve our Peking Duck differently, we show you a new way to eat it. Add a dash of sugar to every mouthful and you'll experience a delicious melting sensation on the tongue. What makes each meal even more exquisite is our selection of 30 rare teas imported specially from China, six of which are available exclusively at Fei Ya.

## FLAVORS

Imagine choosing the freshest ingredients from a wide variety of cuisines, then sitting back and watching our expert chefs create a meal that is distinctly yours. At Flavors, sweet, sour, salty, spicy and savoury all blend in perfect harmony. Choose from cuisines that range from Thai to Italian and sushi to salads.

## LA TAVOLA

Have you ever tried 6 different kinds of olive oil in one sitting? Or chosen from 11 types of handmade pasta? At La Tavola, passion drives everything we do. Our chef even insists on importing his ingredients directly from Italy. Take one sip of his homemade limoncello and you'll understand why.

## R BAR

Ever been to a bar that transforms to match your mood? At R Bar, savour our mouthwatering tapas and fine wines as you groove every night to the latest beats of our resident DJ. Then come back the next morning for delicious Italian coffee, Danish muffins and our bacon and egg panini.

## STUDIO R

Wouldn't your meeting attendees be happier and more productive if they could work in a space that is as inspiring as it is relaxed? Studio R is designed like a comfortable, spacious apartment. The meeting space is divided into 11 meeting rooms spread over 2 floors. Each meeting room opens out onto a common area that has a communal relaxation space and open kitchen. Equipped with the latest, most advanced meeting technology, Studio R promises to make your meeting a real success.

## INSPIRING SPACES

With 14 meeting rooms and 1,858 square meters of naturally-lit, flexible meeting space, we can host a meeting of any size, from an intimate gathering to a large conference.

## UNFORGETTABLE MOMENTS

With our six metre high Royal Maneeya Ballroom, you can walk even taller on the most important day of your life. While our cutting-edge light and sound systems create the perfect mood, dance the night away in over 640 square meters of wedding space. A private bar lets guests toast you well into the wee hours of the morning.

## TOTAL REJUVENATION

After a day of discoveries, you deserve to spoil yourself a little. Take a refreshing dip in our 25 meter lap pool, unwind at H2O, our pool bar, or get a soothing massage at our Quan Spa. If you prefer to de-stress with a healthy workout, head to our 24 hour Fitness Center where the latest, state-of-the-art gym equipment awaits you. At the Renaissance Bangkok Ratchaprasong Hotel, you will be feeling new in no time at all.
