# THE HEART *of* BANGKOK

It all starts here at the landmark JW Marriott Hotel Bangkok in the heart of vibrant Bangkok where the wedding of your dreams comes vividly to life amidst 5-star luxuries, flawless service and meticulous attention to detail. With gracious and elegant accommodation and award-winning cuisine for you and all your special guests, this is a wedding venue that towers above it all.

THE WEDDING  
*of* A LIFETIME

The JW Marriott Hotel Bangkok – a spectacular location for a timeless wedding celebration with everything you need to create the most memorable of days right here. From an intimate gathering to a grand cocktail reception for up to 600 guests, no request is too small, or idea too large. Elegant dining, state-of-the-art rooms, our JW's Health Club & Spa, special little touches and breathtaking views of the city's iconic skyline. It all comes together beautifully – taking your wedding experience to another level.

# JUST THE *way* YOU IMAGINED

On this, the most magical of days, every last detail makes a difference. Our philosophy is that service should be as attentive as it is discreet – as thoughtful as it is intuitive.

Whether it's the champagne welcome or the floral displays, our team of wedding planners know that it's not just the first impression that counts, but every impression. On hand throughout your day, they will attend to each aspect, from the photography, music, stage decorations and ambient lighting to the guest signature book.

# MORE THAN JUST A *space*

At the JW Marriott Bangkok, our nearly 1,400 square metres of flexible event space is yours to arrange as you wish. With a sweeping 685-square-meter ballroom that is divisible into three sections, and a 256-square-meter glass-walled area with a ceiling height of 5.4 meters, there is no more grand venue for a talk-of-the-town gala for 600, an intimate celebration, a regal cocktail reception, and a dramatic theatre-style presentation.

# A TASTE *of* EXCELLENCE

With your wedding breakfast, every corner of the world has inspired the expertise and creativity of our chefs. Whether traditional in tone, or given a decidedly modern twist, your meal will be a delicious testament to the internationally acclaimed and award-winning dining establishments at the JW Marriott Bangkok. Using only the finest quality ingredients, our executive chefs can plan a menu to suit your preferences. There is also the temptation of our Chinese, and Western style specialities, served buffet style or plated, or the sizzling drama of Teppanyaki freshly prepared in front of you – and we're happy to create meals for particular diets and for children.

## A COMFORTING *retreat*

As the last dance winds down, our spacious 441 deluxe guest rooms provide a wonderful escape. For the newlyweds, one of our suites awaits, with flowers, fresh fruit and chilled champagne – with our compliments. Of course, you can expect nothing less than pure quality in every JW Marriott Bangkok room and suite. Flat-screen cable and satellite TV, the finest furnishings, deeply colored woods and Art Deco touches all contribute to the stylish, relaxed ambience. Kingsize beds feature Marriott's 'Revive' bedding and 300 thread count Egyptian cotton sheets. Bathrooms have extra large bathtubs, exclusive amenities and soothing separate massage showers.

# A HOTEL *for* ALL SEASONS

The wedding planners and support team at the JW Marriott Bangkok are well-versed in the cultural considerations, rituals and etiquette involved in traditional Thai, Indian and Western wedding ceremonies, and complete packages are available that include everything from the exchange of vows to blessings, shrines, canopies, flowers, champagne and cakes. Here in one of the most striking venues in town, many couples choose to record the day, and we offer a variety of photography and video options to make this most memorable day last a lifetime.

PRIVATE  
*indulgences*

As the wedding preparations gather pace and the excitement builds, the JW Marriott Bangkok offers the perfect excuse for your guests to get away from it all and make the most of the superb facilities. Everything you need to refresh and unwind is here – a fully-equipped 24-hour Health Club with free weights, cardiovascular equipment, steam room and Jacuzzi or to relax mind and body, our renowned spa where couples can experience a private treatment using special aromatherapy oils. Guests on our 16<sup>th</sup> Floor will need little convincing to return for a few moments to the Executive Lounge with its living/dining room of oak and marble, television lounge and breathtaking cityscape terrace.
