Menus

Catering menus, room arrangements and other details pertinent to your function should be submitted to your Catering or Conference Services Manager at least four (4) weeks prior to your function date. The enclosed menus are only suggestions and you are not limited to these items. Creativity is our specialty, and we will be pleased to custom design menus to best suit your needs. The enclosed menu prices will be in effect for functions on or before December 31, 2008.

Guarantees and Meeting Space

In arranging for private functions, a final guarantee must be given to the Marriott at Vanderbilt University at least 72 business hours prior to the function.

Tuesday	Thursday Preceding event by 12:00 Noon
Wednesday	Friday Preceding event by 12:00 Noon
Thursday	Monday Preceding event by 12:00 Noon
Friday	Tuesday Preceding event by 12:00 Noon
Saturday, Sunday & Monday	Wednesday preceding event by 12:00 noon

Guarantees must be received by 12 noon on the date due; otherwise the expected number becomes the guarantee. On the final bill you will be charged the guarantee or the actual amount of guests, whichever is greater.

When a guarantee is given, this will become the final guarantee and is not subject to reduction. We will set for the guarantee and will prepare only for the guaranteed amount. For increases to the guarantee on the day of the event, a 15% increase will be made to additional meals. Banquet and meeting rooms are assigned by the number of people anticipated. If the attendance increases or decreases, Marriott at Vanderbilt University reserves the right to change rooms or move groups, without notification, to a room suitable for the expected attendance or guarantees.

Multiple Entrees

If you choose to have more than one entrée for a plated function, you will be charged the higher price for all entrees. A labor fee of \$2.00 per person may apply.

Financial Arrangements

Please refer to your Catering & Sales Agreement for any required deposits and/or final payment methods.

Food and Beverage, Service Charge, and Tax

A 22% taxable service charge will be added to all food, non-alcoholic beverage, audio/visual and room rental.

Sales tax of 9.25% is added to the total cost of the function. Tennessee Law requires that the service charge be subject to sales tax.

All alcoholic beverage prices include the 22% taxable service charge and Sales tax of 9.25%.

The Tennessee State Liquor Commission regulates the sales and service of all alcoholic beverages. The Marriott at Vanderbilt University is responsible for the regulations. It is a policy that no alcoholic beverages are brought into Marriott at Vanderbilt University for an event. As a purveyor of alcoholic beverages, we encourage our patrons to drink responsibly, and will not serve alcoholic beverages to minors or to anyone who appears to be intoxicated. We support the "Designated Driver" Program and will offer complimentary soft drinks to a Designated Driver.

Food Service

The Marriott at Vanderbilt University is responsible for the quality and freshness of food served to its guests. Due to current health regulations, food may not be brought into the hotel and food may not be taken off the premises after it has been prepared and served.

Audio Visual

All audio-visual equipment is available at competitive rates through our full-service, in-house audio-visual company. An equipment and price list is available on request. A 22% service charge and sales tax of 9.25% will be added to all audio-visual. Tennessee Law states that service charge is subject to sales tax. Cancellations for rented audio-visual equipment must be made prior to 48 hours in advance of the function or the rental charges will apply.
