FLEX FOR SUCCESS

Throughout the planning process and on-site, we provide creativity, confidence and comfort by delivering "Flawless Execution" with a hospitality approach. As part of our continued effort to improve upon our service standards, we have developed a program called FLEX 7. At the conclusion of your event, you will receive a survey via email from our home office. Our goal is to obtain the highest score (7) in every area of customer satisfaction. We look forward to providing you with the best service and audio visual equipment in the industry.

EVENT PLANNING & EQUIPMENT SELECTION

From the simplest presentation to complex video projection, from concert sound to stage lighting, Swank Audio Visuals offers you the finest professional meeting, convention and trade show services available anywhere. As an audio visual rental company whose experience pre-dates color motion pictures, television and both audio and video tapes, we have been part of the most profound changes in the way people communicate.

As members of your meeting team, we will assist you in the pre-planning of your event and equipment selection that best fits your meeting space environment.

PROFESSIONAL TECHNICAL ASSISTANCE & EQUIPMENT INSTALLATION

We employ an experienced staff of professional technicians trained in all aspects of projection, video, audio and lighting available for your meeting. If you have extensive or specialized audio visual requests, a professional technician is recommended, and with some equipment necessary, for successful operation. If you would like the services of a professional technician to be assigned and dedicated to work with you, we will be glad to make these arrangements in advance of your meeting. Depending on the nature, extent or quantity of your requirements, an additional charge will be applied for the set-up and pre-testing of equipment, including the safety tape-down of cables, additional power cords, and the pack-up and removal of equipment at the conclusion of your event. Some equipment requires a minimum charge for a technician at the prevailing hourly rate for installation and removal. Please call for the current labor rates.
