## Location

Cairo, the largest city in the Middle East and Africa, and is the center of all routes leading to and from three continents: Asia, Africa and Europe. Here, past and present meet in a glorious diversity of cultures.

Modern Cairo is an architectural fusion of old and new, where skyscrapers and ancient monuments stand side by side. The Pyramids of the Pharaohs, early Christian monasteries and churches, Salah El-Din's Citadel and mosques of the Mamluke and Ottoman sultans form a historical mosaic.

## Hotel Overview

The [JW Marriott Hotel Cairo](#) reflects the world class hospitality and services along with the elegantly appointed rooms and unsurpassed meeting space and facilities.

The hotel features the most comprehensive facilities in one place; from the convention center with a total of 4018 Sq. meter of meetings and exhibition space, more than 12 restaurants & bars, Cairo's only themed beach, 3 tennis courts and the Middle East's only hotel containing a self managed 18-hole championship golf course and 9-hole Executive course.

Either coming from the 7-minutes away airport or from any of the city's major business districts, the hotel's location on the ring road ensures you an easy access, a stress free ride & 1000 parking spaces.

Part of the 400 acres Mirage City, the hotel is a serene oasis, away from the noise & pollution of downtown Cairo.

## [Accommodation](#)
