### What is an e-Roominglist?

To save you time during the organization of your event planning, we can provide you with an e-Roominglist. This is a fast and easy solution for completing your rooming lists.

### What offers an e-Roominglist to our guests?

An e-Roominglist gives hotels the ability to provide planners with confirmation numbers quickly.

An electronic list that they receive from the Event planner can be pasted into the template or the template can be forwarded to the planner to compile their list, reducing the wait time from hours to minutes.

Important: There is no charge for e-Roominglist.
