IMPRESS EVERY BRANCH OF YOUR FAMILY TREE!

Gatherings should be fun – even for the people in charge of planning them. With the Cleveland Airport Marriott in charge, you might start having reunions more often!

Your family members will easily switch into vacation mode as we whisk them from the Airport in our complimentary shuttle. Upon arrival they'll find an incredibly spacious lobby full of cozy corners, and large communal tables, just the thing for catching up! They can challenge one another to a round of billiards, or enjoy some small plates –perfect for sharing– in our restaurant: AMP 150. It really breaks the mold of “hotel restaurant.” When it’s time to play, the kids can make splash in our sparkling indoor pool. And at the end of each day everyone can relax and recharge in our fully updated guest rooms.

The Cleveland Airport Marriott Family Reunion Package includes:

- Complimentary hospitality suite (with minimum of 20 occupied guest rooms)
- Special discounted nightly room rates starting at \$89
- Breakfast for two adults (additional \$20 for two children)
- Custom event Web page for making reservations
