GETTING MARRIED AT THE CHARLOTTE MARRIOTT SOUTHPARK

Couples seeking a traditional venue for their SouthPark wedding need look no further than the Charlotte Marriott SouthPark.

The Certified Wedding planners at the hotel report that the traditional bride and groom who want a venue with high ceilings, crystal chandeliers, and classic European styling, opt for the Charlotte Marriott SouthPark as their number one choice.

The Morrison Ballroom is the hotel's largest space at 2,700 square feet and with a maximum seating capacity of 300. It also features a separate entrance right outside the ballroom doors.

The Certified Wedding planners also note that there are a number of trends in weddings of late, including couples who opt for a cocktail-hour-style affair for the entire reception. It affords guests the opportunity to meet and mingle with ease, and it keeps the cost down as they can serve heavy hors d'oeuvres rather than budgeting for a sit-down dinner. Other trends to report — clearly in line with today's economy — include the wedding and reception at the hotel to cut down on transportation costs and smaller guest lists.

Couples who select the Charlotte Marriott SouthPark work with a Certified Wedding Planner who can assist with planning the wedding as well as pre- and post-wedding activities like the engagement party, bridal shower, rehearsal dinner, and post wedding brunch. Additionally couples will receive a special discount for overnight guests and a free custom event web page from which guests can also book their wedding night accommodations.
