

If PURE Rooms are the leading choice for asthma and allergy sufferers, just imagine what they can do for you.

One night and you'll be ready to take on the world.

- Sanitized heater and air conditioner, maintained with PURE Tea Tree Oil to inhibit microbial growth
- Cleansed and sanitized soft surfaces, to eliminate contaminants that trigger allergies
- PureShield™ application on all surfaces, to minimize the growth of bacteria
- In room medical grade air purification system, with 4 levels of filtration that kills 98-100% of viruses and bacteria
- Micro fiber, hypo-allergenic pillow & mattress encasements
