Studio Suite - Distinct living, sleeping, and work areas of the spacious Studio Suite will help you separate what you need to do from what you want to do. The kitchen is well-equipped, so you can make your own meals. This room, like all of the other suites at our hotel include a full refrigerator and dishwasher.

The 1-Bedroom Suite provides you that extra bit of privacy with the bedroom being a separate room off the living area. You will have 2 televisions, one for the bedroom and one for the living room with lodgenet. You'll also enjoy a full kitchen and a comfortable, efficient workspace.

The 2-Bedroom Suite has plenty of room for everything you need to do. Two bedrooms and 2 full bathrooms mean everyone has space for privacy. Each bedroom even has its own TV. The living area has a relaxing sofa and a third TV so you can ease back, just like at home. You can also save money, if you would like to split the cost of this room with another member in your group.
