Banquet Menus

Your Catering Representative will be happy to custom design a menu and/or assist you in selecting the appropriate menu items and arrangements to ensure a successful function. Specialty and theme menus can be designed to meet your particular needs. Banquet menus, room arrangements and other details pertinent to your function are to be submitted to the Catering Department at least two weeks prior to your function date.

In arranging for private functions, the attendance must be specified at least 72 hours in advance of event. This number will be considered your guarantee and is not subject to reduction. If the guaranteed attendance is not received within the 72 hour period, your "tentative attendance" will be considered the guarantee. Charges will then be based on the guaranteed or actual attendance, whichever is greater. The Hotel will set up and prepare for 3% above the guaranteed number for groups of 100 or more people. The 72-hour guarantee is based on 5 business days; therefore, events scheduled on Monday and Tuesday, the Thursday or Friday of the previous week would be required for the guarantee.

Decorations and Entertainment

If you would like special theme decorations or entertainment, we would be happy to make the necessary recommendations and arrangements. Clients may utilize outside sources with their catering representative's approval.

Function Rooms

All displays or exhibits must conform to the City Code Fire Ordinance rules. The Hotel will not permit the affixing of anything to the walls, floors or ceilings of the function rooms with nails, staples, tape or any substance, unless this office in writing gives approval.

The Hotel will not assume responsibility for damage or loss of any merchandise or articles left in the Hotel prior to, during, or following the function.

Service Charge

The Hotel applies a mandatory 22% service charge that is taxable by 8.1% by Colorado State law. The Hotel applies 22% service charge to all food and beverage items as well as audio visual equipment and services.

Audio Visual

We will be happy to handle the audio-visual requirements for your function. We recommend our in-house audio-visual company, Swank Audio Visual. We can provide your equipment needs on a rental basis, which may be charged to your Hotel master account. If you choose to use an outside audio-visual company, there will be a charge of \$250 a day if you are in the Ballroom and \$50 a day for any other meeting room.

Business Center

Our state-of-the-art, full service business center is located on the atrium level of the Hotel. Consult your Catering representative for specific requirements.

Cancellation Policy

Cancellations must be made with the Sales/Catering office during regular business hours. Specific cancellation clauses shall be outlined in the confirmation agreement prepared by your Sales/Catering representative.
