The Denver Marriott West is conveniently located just minutes from Bandimere Speedway. The Denver Marriott West is the ideal stay for race fans seeking first class accommodations at an excellent value.

Bandimere Speedway

The Bandimere Speedway, also known as Thunder Mountain, opened in 1958. It is a quarter-mile dragstrip in Morrison, Colorado that hosts the NHRA's Mile-High Nationals.

Every ticket to a Bandimere Speedway event includes a pit pass, allowing guests the opportunity to get close to the drivers and their cars.

Bandimere Speedway Track Facts

Bandimere Speedway was established in 1958 by John Bandimere, Sr. and hosts over 25 events each year. Sanctioned by the NHRA, this track is a ¼ mile drag strip that is 5,800' above sea level. The track direction is South to North.
