

# How will you change the world?

Book your next meeting in Detroit with the industry leader in eco-friendly service.

Marriott® International continues to lead the hospitality industry in setting environmentally-friendly standards and practices. Marriott recently received the 2008 ENERGY STAR Sustained Excellence Award from the U.S. Environmental Protection Agency and boasts more ENERGY STAR labels than any other hotel company.

Detroit Marriott Troy has been given Partner standing with Green Michigan Lodging. By incorporating more sustainable practices, Marriott International and **Detroit Marriott Troy** are proud to make a difference.
