"We held our wedding reception June 09 at the fabulous Ashbourne Marriott. From day one when we viewed the hotel, we were made to feel extremely welcome by each member of staff. Upon booking the hotel the staff were as excited as we were. Any request we made was dealt with promptly and efficiently and nothing was too much trouble.

On the day everything ran like clockwork. The food was superb and plenty of it! Hotel rooms were immaculate. All our guests are still raving about the hotel and what a great weekend they had. Thanks to one and all. We would highly recommend the Marriott for your special day. You will not be disappointed."
