

## WELSH RUGBY TEAM TESTIMONIAL

- **Team Manager, Donna Crossman:**

*"I would like to pass on our sincere thanks to the hotel staff who were helpful and professional at all times and ensured a warm welcome and restful stay. We would like to pass on our particular thanks to Georgina and her team who looked after us so well at mealtimes. The good luck card from them was a very thoughtful gesture. We would look forward to staying with them again in the future."*
