Room

TO RELAX AND ENJOY

We pride ourselves on our wide selection of versatile banqueting suites, as well as our ability to offer a tailor-made service to your requirements. We can accommodate all sizes of events from a more intimate ceremony to large wedding event for up to 200 guests.

We hold a Civil licence for seven of our banqueting suites and can arrange your ceremony to be held on the hotel premises 7 days a week, including public holidays. All rooms are suitable for all Civil and Partnership Ceremonies, from 30 to 140 guests.

The minimum number we will cater for in our main suite is 60 adults for the wedding breakfast and 80% of all guests attending the evening reception. We do offer seasonal flexibility on minimum numbers and our wedding co-ordinator will provide advice on request.

The Pentland Suite

With its own large dance floor, private bar and cloakroom, the bright, spacious and fully air-conditioned Pentland Suite is the ideal suite for a wedding ceremony and breakfast for a maximum 140 guests, and up to 200 guests for your evening celebrations.

The Rivers Suite

For a smaller, more intimate wedding, the bright air-conditioned Rivers Suite is ideal. With a choice of four separate rooms, the Rivers Suites can accommodate up to 80 guests for a wedding ceremony and 50 guests for a wedding breakfast.

Taste

AND STYLE

*M*emorable weddings are distinctive, unique and personal, expressing your individual style and tastes. Our chefs, wedding co-ordinators, sommeliers and events teams are working hard to inspire you with flavours, colours, textures and tastes from around the world. All our chefs take the freshest, seasonal ingredients and prepare each dish with authenticity, passion and pride.

Allow your senses to be inspired by a selection of both contemporary and classic dishes designed for celebrations for all religions and occasions. We work with partnerships to ensure Kiddushin, Lagan, Anand Karaj, Nikaan and the less formal civil ceremonies are attended to with the same simple philosophy:

'It's your Wedding Day and we are here to make it one of the happiest days of your life.'

After your special day with us is confirmed, a personal wine tasting and food tasting will be arranged with our chef, who will offer you advice to ensure that your wine and food not only suit your budget, but complement each other perfectly.

At the Edinburgh Marriott we would require you to select one set menu for all guests attending the Wedding Breakfast. Our Head Chef has designed a selection of tailored menus where each course carefully compliments the next. Special dietary requirements or personal touches you would like to add to your menu can be catered for with prior notice.
