

Redefined Supper Buffet at The Lounge

Hong Kong people interpret "Supper" Buffet" (or "Siu Ye" buffet) as a meal after 10 pm. Recently, JW Marriott Hotel Hong Kong redefines it by offering it from 8 pm to 11 pm. Guests who like to enjoy a delectable meal with a wide range of choices on Thursdays, Fridays or Saturdays in a slow pace without pressure, The Lounge is the best place to be.

The Supper Buffet is available between 8 pm and 11 pm every Thursday, Friday and Saturday. Priced at HK\$310* for adult and HK\$220* for child.

The Lounge presents a host of **live cooking stations** and **international favorites** in the Supper Buffet. Highlights include congee station, fresh dim-sum live station, steamed bamboo rice, grilled sirloin and great selections of desserts.

All prices are subject to 10% service charge
