### **JW MARRIOTT HOTEL HONG KONG RANKS FIRST ON AON HEWITT BEST EMPLOYERS IN HONG KONG 2011**

**Hong Kong, 22 June 2011** - The JW Marriott Hotel Hong Kong has been ranked number one on the Aon Hewitt Best Employers in Hong Kong 2011 list, in partnership with the South China Morning Post Publications Limited, Hong Kong's leading publishing group. Aon Hewitt Best Employers in Hong Kong 2011 is the sixth study conducted by the global human resources outsourcing and consulting service provider. The award aims to recognise organisations who successfully demonstrate high standards of business and service excellence through effective people management and by continuously inspiring outstanding performance from its employees.

Participants have to undergo intensive preparations and interviews as well as audits conducted by Aon Hewitt, and results are determined by an independent panel of judges. This year's award attracted strong interest and entries, and only three other organisations have been included in the esteemed list. The event will be officially celebrated with the media, winners of the AON Hewitt Best Employers In Hong Kong and Aon Hewitt Best Employers in Asia Pacific on 22 June, 2011.

*"It is indeed a great honour to be recognised as the top employer in Hong Kong. This award further exemplifies our commitment to our associates and guests. We believe it is our core values; a strong sense of family and culture of taking care of our associates; treating people with dignity, honour and respect; and developing our associates to the fullest potential that have allowed us to achieve this important milestone.*
