DESTINATION HONG KONG

Buzzing, cosmopolitan with killer good looks, Hong Kong dazzles 24/7. And right at the heart of Asia's most exciting city is the Renaissance Harbour View Hotel Hong Kong. Harbour is our middle name – and our unbeatable location. On the Hong Kong Island waterfront, the best of the city is right on our doorstep. Turn left, you're at the Star Ferry to Kowloon. Turn right, you're in the vibrant nightlife of Wan Chai. Look up, you're among the glittering towers of the city's iconic skyline. Linked to the subway (we call it the MTR), you can be in a hip designer mall, a foodie hotspot or an ancient temple in the twitch of a dragon's tail.

Our rooms are kitted out with all the technological wizardry you're likely to need: broadband internet access, IDD phones with voicemail, and video links to the flat-screen TV. Take time out watching the cable and satellite channels, or chill with a drink from the mini-bar.

And so to bed. Slip between our crispy-soft sheets and cloud-like duvet, and sink into sleep in our world-famous beds – so comfortable, you can order one to take home.

DYNASTY

Hong Kong lives to eat, not eats to live. Fine dining is a fine art in this city, where our Michelin star Cantonese restaurant, Dynasty, has a reputation for excellence. As much thought has gone into the décor as the authentic food, with floor-to-ceiling windows, contemporary lighting and generously spaced tables for extra privacy. Join the local crowd for Hong Kong's famous dim sum – be adventurous and try the chicken feet – and don't miss the signature barbecued pork. It's one of the reasons Dynasty was awarded a coveted Michelin star for two consecutive years. Dynasty also has six elegant private rooms, which are ideal for private luncheon and dinner gatherings. The larger rooms offer seating up to 24 and 36 guests respectively, and the smaller rooms are perfect for gatherings of 6 to 12 guests.
