

Anfish Mountain

The Anfish Mountain, Hurghada is a beautiful landscape worth visiting and viewing. This is one of the high rise points in Hurghada which gives you a distinct view of the whole city ahead. The best thing about the Anfish Mountain, Hurghada is that it is not directly visible from any location in the town of Hurghada. However a view from the mountain top will give you a full sight of the city ahead of you.

The landscape of Anfish Mountain in Hurghada is very rocky and lacks vegetation. However the mountain is not only high but is also a steep climb. The mountain in Hurghada is like a summit from where you can keep a track of the small town of Hurghada. The beauty of the mountain lies in the fact that it gives its visitors a total view of its surroundings. In the distance there is Red Sea stretched out in front with its vastness. In the other side lies the eastern desert. This combination of the mountain, the sea and the desert is not found anywhere else. This is a very popular place among the other Hurghada Tourist Attractions.

Climbing the Anfish Mountain, Hurghada and reaching the top might be difficult for many. This is mainly because of the steep edges of the mountain. However the spectacular view from the mountain top is like a view of the Heaven. Don't forget to take powerful cameras in order to capture the breathtaking scenic views. You will have a lovely experience here. However you should wear proper shoes while you climb the mountain. Often tourists come to this place to see the sunrise and sunset views as well. You can capture the lovely views of the sun from here.
