Play Over 100 Professions at Kidzania

A miniature replica of a real city built for kids. The idea is that children learn about the adult world by getting the chance to do adult jobs. Whether they want to train to be a pilot, an F1 driver, work as a civil engineer, a hairdresser, a private detective, kids will have the chance to try out these jobs. All in all, there are over 100 professions and occupations to try. The center is suitable for children between 2 to 16 years old.
