UNIQUE SETTINGS

We offer unique wedding locations suited to morning, daytime and sunset wedding ceremonies. Our most spectacular wedding venue is the Kings' Knoll. The site is an intimate grassy lawn featuring breathtaking panoramic views of an ancient Hawaiian fishpond lined with coconut palm trees and the Pacific Ocean in the background. This is an unforgettable backdrop for your wedding ceremony or renewal of vows, particularly when the sun sets over the ocean right before your eyes.

AFTER THE CEREMONY

Hawaii Calls Restaurant & Lounge, the hotel's premier oceanview restaurant, features two semi-secluded areas perfect for celebrations of fewer than 25 people. The "Alcove" located inside the restaurant offers a slightly more intimate and formal reception area, while "Under the Umbrellas" offers a casual yet beautiful poolside setting under oversized white umbrellas. Private banquet rooms are available with a minimum of 25 for plated meal service and 50 for buffet meal service.

EXTRA TOUCHES

We are happy to recommend a florist, photographers and videographers or make entertainment arrangements for you.
