-  Expanding on a more user friendly Carpool Program
-  Shared transportation

Recycling creates 6 times as many jobs as landfilling.

About 80% of what Americans throw away is recyclable, yet our recycling rate is just 28%

“Go Green” Committee Vision:

Making sure the Los Angeles Airport Marriott is doing our part in meeting the needs of the present without compromising the ability of future generations.

Sustainability of Our Community:

-  Adopted Highland Elementary
-  Beach clean ups
-  Children’s Miracle Network
-  SCROC, Hotel & Restaurant Occupation on job training for individuals with mental disabilities
-  Habitat for Humanity
-  Participate in Linens for the Homeless Program

GO GREEN

If we recycled all of the newspapers printed in the U.S. on a typical Sunday, we would save 550,000 trees--or about 26 million trees per year
