

Directions to the Leipzig Marriott Hotel

Approach South:

Take the highway A 9 direction Berlin, exit "Großkugel". Continue straight on the B6 towards the city of Leipzig. Follow the signs "Zentrum" and the green-white decal information. This will lead you to the „Gerberstraße“. At the traffic light turn left onto the "Willy-Brandt-Platz" and then right into "Goethestraße". Turn right into the second street named „Am Brühl" and right again into „Am Hallischen Tor".

Approach North, East and from the West:

Take the highway A 14 direction Dresden, exit „Leipzig-Mitte“. Follow the signs "Zentrum" and the green-white decal information. This will lead you to the „Brandenburger Straße/B 87". Take a right turn, pass the central train station, keep left and at the second traffic light proceed to make a u-turn. Make a right turn into "Goethestraße". Turn right into the second street named „Am Brühl" and once again right into „Am Hallischen Tor".

Our Tip:

If you want to find us with your navigation system enter the street name "Brühl". Most navigational systems will not be able to find "Am Hallischen Tor" because the street is very small.

We wish you a stress-free and safe journey!
