Taste

AND STYLE

*M*emorable weddings are distinctive, unique and personal, expressing your individual style and tastes. Our chefs, wedding co-ordinators, sommeliers and events teams are working hard to inspire you with flavours, colours, textures and tastes from around the world. All our chefs take the freshest, seasonal ingredients and prepare each dish with authenticity, passion and pride.

Allow your senses to be inspired by a selection of both contemporary and classic dishes designed for celebrations for all religions and occasions. We work with partnerships to ensure Kiddushin, Lagan, Anand Karaj, Nikaan and the less formal civil ceremonies are attended to with the same simple philosophy:

‘It’s your Wedding Day and we are here to make it one of the happiest days of your life.’

After your special day with us is confirmed, a personal wine tasting and food tasting will be arranged with our chef, who will offer you advice to ensure that your wine and food not only suit your budget, but complement each other perfectly.

We source the freshest, finest ingredients to create your menus. If you’re looking for “something special” whether it be a welcome cocktail or bespoke canapés, your wedding co-ordinator will be pleased to help.
