WWT London Wetland Centre is a 105 acre wildlife haven in the heart of the capital. The scenic walkways set amongst the lakes and pools of this wildlife haven allow you to watch the birds, bats, butterflies and amphibians that make their home here; if you are quiet you may even spot one of our resident water voles. Meet our collection of rare birds from across the world or take a free guided tour round the reserve. You can also relax in our Water's Edge Cafe - or let the kids run free in their own adventure zones. A fantastic day out, whatever the weather!

Marriott Twickenham guests can take advantage of a 20% discount on entry tickets for the wetland centre. Simply print out this page and take it - along with your Marriott key card - to the centre. One person will get in free with every adult visitor paying full ticket price. This offer is valid until March 31, 2010 and is not available in conjunction with any other offer.
