*M*emorable weddings are distinctive, unique and personal, expressing your individual style and tastes. Our chefs, wedding co-ordinators, sommeliers and events teams are working hard to inspire you with flavours, colours, textures and tastes from around the world. All our chefs take the freshest, seasonal ingredients and prepare each dish with authenticity, passion and pride.

Allow your senses to be inspired by a selection of both contemporary and classic dishes designed for celebrations for all religions and occasions. 'It's your Wedding Day and we are here to make it one of the happiest days of your life.'

After your special day with us is confirmed, a personal wine tasting and food tasting will be arranged with our chef, who will offer you advice to ensure that your wine and food not only suit your budget, but complement each other perfectly.

With an extensive selection of specially designed dishes and options, we can cater for any of your requirements. Our Executive Head Chef and wedding co-ordinator will help you decide on your menu, ranging from vegetarian, special dietary requirements, religious, themed and children's menus.
