Experience a new stay

A refreshing new look at business

You are accustomed to working and winning at your own terms, and we keep you comfortable while you are at it. From the contemporary decor to the wi-fi connectivity, you will find everything at Courtyard by Marriott designed to let you give your best. Whether you want to clinch a deal over power lunch, stay connected in the outdoors, or just relax.

Our fully equipped gymnasium ensures you never need to break your routine. While a range of holistic massages at our spa help you unwind. There is also Paprika our 24hr café, Muffin Tree our deli and pastry shop and Rhapsody, our lounge cum restaurant to fuel your appetite for success.

Check in. Check it out. And charge up on life.

Rhapsody - Nightlife at its best

Whether you wish to unwind or just meet informally, Rhapsody makes for the perfect backdrop. And when the sun goes down, our lounge bar cum restaurant pulsates with high fidelity entertainment. Rhapsody has a very unique bohemian ambience and a bar with an excellent collection of exotic wines. Sip on your favourite cocktail whipped up by our bartender, and let your hair down and sway to the enthralling music by our in-house Dj. You will wish the happy hours never end.

Executive Lounge - Un-interrupted business

Enjoy a panoramic view of the city as you catch up with the bigger picture at work. The executive lounge is dedicated to a higher level of personalised service and seamless connectivity. A unique zone where you can rise above the distractions and focus on what is important.

Muffin Tree - A delicious stopover

For an exceptional treat, make your way to our deli. You will be richly rewarded by the wafting aroma of freshly baked croissants, cakes, cookies and tarts and a host of other goodies. Settle down with your laptop, or just curl up with a book and let the hours slip away. There is also a grab-and-go counter where you can pick up a quick snack.

Paprika Cafe - Rejuvenate, round the clock

Isn't it a comforting thought, that anytime day or night, you can step away from the chaos of the world into an oasis of harmony? So put time on hold and let your soul soak in a sense of well-being. Paprika combines a chic, modern ambience with live music and live counters with a blend of cuisines. From the finest continental delicacies to the authentic local flavours to pamper your taste buds. Also enjoy your lazy Sunday mornings with Sunday Brunch at Paprika.
