

## Inspiring the World through Green Meetings

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, and in the communities where we work and live!

### Marriott Hotels and Resorts

- Replaced light bulbs with energy-efficient bulbs
- Installed low-flow showerheads and toilets
- Introduced water/energy saving linen program
- Operates the most ENERGY STAR® certified properties in the industry, as part of Marriott's portfolio of brands
- Involves its global workforce in eco-volunteerism

### Meetings and Events

- 100% Recycled Note Pads
- Eco-Friendly Water Service
- Meeting Room Recycling, where available
- On-Line Event Menus and Meeting Diagrams
- Organic Flowers (upon request)
- Recyclable Box Lunch Program
- Paperless billing
- E-Sales kits and E-brochures

### Renaissance Montgomery Hotel & Spa at the Convention Center

- Paper, aluminum, printer cartridges, pallets, used cooking oil, packing material and batteries recycled
- Property Management System controls public space HVAC
- Guest room lighting automatically shuts off when guests leave room
- Guest room HVAC automatically turns to 72 degrees when guest leaves room.
- Recycling Cardboard in bailer system
- Geothermal water heater used to heat and chill water for guest rooms
- Energy efficient heat recovery system to heat outside pool and hot tub
- Using local produce, honey, meat, cheese, & other local markets and vendors
- Payroll and Newsletter paperless for Associates, access to all pay, deposit, and HR information via web portal
