Book hotel rooms for out of town guests as soon as you know the date. Hotels fill up very quickly, and could already be sold out for your big day even if it is still a year away. Most brides do receive discounts for advance room reservations, plus you'll have peace of mind knowing your out of town guests will have a place to stay and be saving money—all the more to spend on you! Prices depend on the time of year and what local events may be occurring at the same time. Request a price quote by calling the hotel sales department directly with your date.

Our Sales Department will confirm if rooms are available for your date and set up a two-night wedding block, usually Friday and Saturday, with up to 15 rooms per night. There is a 30 day cut-off allowing your guests to make their own reservations up to 30 days before your wedding. Any rooms not reserved by your guests automatically return back to us and you're not responsible for payment for those rooms. It doesn't get any easier than that! The Sales Department will happily assist you with any questions or concerns.
