Key Largo Marriott Bay Resort

Just 55 miles from Miami, yet a world apart, our 17 acre waterfront resort is an unspoiled tropical oasis. A place where the gentle rhythm of swaying palms and tranquil waters shape the pace of life on the island. Where every amenity is just outside your door.

Play Pleasurably

A sparkling blue swimming pool and a private beach create a year-round playground with an abundance of recreational activities. Spend blissful days exploring the nearby underwater reefs, fishing the sea, parasailing or sailing away on a catamaran. Work out in the fitness room or relax with a massage in the Day Spa. Even the kids have their own club for activities.

Dine Divinely

No matter where you dine, the views are as much a part of the experience as the food itself. Enjoy lunch at Flipper's poolside, cocktails and a spectacular sunset at Breezer's Tiki Bar, then cross the resort's signature lighted bridge for a Florida - inspired cuisine at Gus' Grille.

Rest Impressively

After a day of play, rest assuredly in the resort's luxurious guest rooms and suites. Almost all have private balconies with magnificent water views and luxurious amenities, including Marriott's signature beds with plush comforters, feather top mattresses and a wealth of fluffy pillows.
