

Marriott Sprowston Manor Hotel & Country Club

company golf events

With its superb golf & leisure facilities, and only minutes away from Norwich and the Norfolk Broads, Sprowston Manor is the ideal venue for any company golf event. A beautiful Victorian Manor House, with parts dating back to the 16th Century, the Marriott Sprowston Manor Hotel & Country Club is an idyllic country retreat. Yet despite its peaceful rural setting, it is only four miles from the historic City Centre of Norwich. Sprowston Manor offers a superb Championship test of Golf that ranks among the best in East Anglia. Designed by Ross McMurray of European Golf Design, The Manor Course features USGA Championship Greens and Tees, over 70 strategically placed bunkers, and dynamic water features. The course is a host venue to the Sky Televised PGA Europro Tour in 2004, the first time the event has been held in Norfolk. Naturally, we provide all the facilities that you would expect from a top class venue. The majority of your Company Golf Event will feature extensive hospitality in the stylish Sprowston Manor Hotel itself. For more informal moments why not try Café Zest, our new second restaurant. The Golf welcome area also features a brand new Pro-Shop and Changing Facilities. We have extensive experience at Sprowston Manor in organising golf events, so let us show you how we can make that difference to yours.

“The Golf Day held at Marriott Sprowston Manor was excellent in all respects. I consider the venue ideal for Corporate Golf Events and entertaining clients.”

The 7th Hole - "No right turn"

The signature hole on the Manor Course is the 362 yard Par 4 seventh. The tee shot requires pin-point accuracy to avoid the numerous trees and daunting fairway bunkers, to set up an approach shot with a short iron. The hole opens up into a spectacular dog leg left with water on the right to trap the errant shot in to the raised and sloping green.

The 7th Hole runs immediately adjacent to the hotel driveway and affords a stunning entrance to Marriott Sprowston Manor as guests arrive, with the ponds, fountains and green all prominently featured.
