

WHERE MODERN COUTURE AND CLASSIC ELEGANCE MEET

At the center of one of New York's most sophisticated neighborhoods sits the Renaissance New York Hotel 57 – a couture masterpiece that will surprise you at every turn. Award-winning designer Jordan Mozer has created the perfect complement to 57th Street's prestigious galleries and fashionable shops. The lobby is sculpted from laser-cut glass tiles, burnished bronze, hand-stitched leather, and is adorned with one-of-a-kind works of art. Our guest rooms feature warm birch paneling, flat-panel televisions, and spacious marble bathrooms. Conveniently located just minutes from Central Park, Carnegie Hall, world-renowned museums and some of New York's finest dining. There is no better way to discover the world's greatest city than to stay at a hotel that is a discovery in itself.
