

Family Attractions In Oakland

Children's Fairyland

Since 1950, Children's Fairyland is where all your children's favorite storybook sets and characters come to life! With ten acres dedicated to a child's imaginative dream come true. In Children's Fairyland you will find a combination of: storybook sets, gentle rides, friendly animals, puppet shows, and live entertainment.

General admission is \$7 for everyone 1 and up. (Under 1 free) Sets range from Humpty Dumpty to Alice and Wonderland. Children's rides include Ananzi's Magic Web, and the Jolly Trolley, to name a few.

Children's Fairyland also has many animals such as ponies, birds, and sheep right in the Fairyland. Or, go see featured plays like the Wizard of Oz and Thumbelina.

For hours of operation and more information on this Oakland family attraction visit the [Children's Fairyland website](#).

Chabot Space and Science Center

Come see the Ask Jeeves Planetarium, a full-dome digital projection system, and see shows such as Astronaut, Living Sea and Dinosaurs Alive. Go to the Discovery Lab for children 7 and under and spend quality time with your children.

Picture yourself like a weightless astronaut in the Beyond Blastoff exhibit. Or if it is nearing nighttime, you may go to the observatories and look at the sky and stars through the telescopes.

For hours of operation and additional information visit the [Chabot Space and Science Center website](#).

Oakland Zoo

Come experience the American Alligator, bearded dragon, monkeys and so many more exotic animals from just a few feet away! There are more than 440 animals in this 525-acre sanctuary.

The Oakland zoo will show you a true appreciation of nature and the whole animalistic world around you. Field trips and groups are welcome to visit the Oakland Zoo. Enjoy featured programs like Bedtime with the Beasts, and the Family Sundown Safari. You can also take Critter Crafts and other art classes with the entire family so everyone can be involved.

For admission costs, hours of operation and more information on this Oakland family attraction please visit the [Oakland Zoo website](#).
