The Northampton Marriott Hotel congratulates you on your forthcoming marriage. We recognise that this is a very exciting time for you and that your wedding day is one of the most important days of your life. Our friendly and professional team are committed to making your celebrations a memorable experience.

The ideal venue for your special day, offering attractive surroundings as well as a convenient location. The hotel and its team will make your wedding an unforgettable experience and ensure you have peace of mind knowing that all arrangements are in capable hands.

At the Northampton Marriott we understand that each wedding party will have different requirements and that planning your celebration should be as enjoyable as the happy occasion itself. Throughout the planning stages our experienced team will be happy to offer advice whilst accommodating any special wishes you may have and on the big day itself, your own master of ceremonies will be dedicated to ensuring the smooth running of the event.

## Civil Ceremonies

All three of our function rooms are licensed to hold civil ceremonies enabling you to hold the ceremony and the reception at the same location. In order to hold your wedding ceremony at the hotel, you will need to co-ordinate the date and time with the hotel and the Superintendent Registrar.

In addition to the registrar's fees a small fee is required to hold your ceremony at the hotel:

Squires Suite (maximum 200 guests)	£600.00
Delapre Room (maximum 90 guests)	£600.00
Holdenby Room (maximum 40 guests)	£500.00

The ceremony itself takes approximately 15 minutes. However, the bride and groom will be required to meet the Registrar 30 minutes prior to the Service either together or separately according to their own wishes. According to legal formalities a religious blessing may not take place at the same time as the ceremony and similarly there must not be any religious symbols in the room.

The consumption of food and drink or smoking is not permitted in the room before or during the ceremony nor is photography allowed except by invitation of the Registrar. Finally, all music must be approved by the Register Office. If you wish to book a civil ceremony or request further information the Superintendent Registrar can be contacted at:
