

**Renaissance Paris Hotel La Defense  
1<sup>st</sup> hotel in La Defense being Certified ISO 14001 for its  
sustainable development policy**

Since 2010, the Renaissance Paris Hotel Le Defense has had the will to develop its environmental interest. We are proud to announce that our efforts have been productive, as on the 20th of May 2011 we were certified ISO 14001.

This certification is attributed according to a panel of criteria defined by SGS, an official certification board. For the Hotel Renaissance Paris La Defense, respect for the environment is based on awareness and a specific training for associates, as well as:

- Reducing consumption of natural resources and energy;
- Reducing the global waste amount;
- Improving discharges and industrial waste management;
- Increasing our collaboration with local suppliers;
- Increasing respect of environmental regulations.

The hotel's global environment situation has been evaluated with the considering of various pollutions and factors such as atmospheric emissions, local traffic, integration of the building itself in its environment or the various environmental risks linked to the hotel activity.
