A Commitment to Sparing the Earth and Our Guests

The Courtyard Malvern is committed to the environment and each guest's stay. Meeting green-friendly initiatives requires both enormous dedication and some real ingenuity. Long before green was gold; we were giving our guests a comfortable experience, while reducing our carbon footprint. We've been able to get better and better at it, without asking our guests to sacrifice the comfort and enjoyment they've come to expect from our hotel. We're doing the right thing, without making our guests pay for it.

To support a sustainable world, and reflect the values of our employees, guests, and investors, by using non-intrusive, high quality, eco-friendly products and services at all White Lodging Services hotels and restaurants.

Our green-friendly services include:

- Paperless Billing
- Recycling Bins
- Water Efficient Toilets
- Energy Efficient Light Bulbs
- Enzyme Laundry Wash
- Dehumidifier in Pool Air to heat water
- Bio Swale for Storm Water
- Double Layer of Gravel Stone on Roof
- Double Balast Walls
- R20 Exterior Walls
- Glazing Low E Windows

Our hotel in Malvern PA supports a sustainable world by using non-intrusive, high quality, eco-friendly products and services. In support of Mother Earth, we believe that lodging green is living right!

***Through its Green Meetings program Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world.*
