General Information

Our printed menus are for general reference. Our Event Staff will be happy to propose customized menus to meet your specific needs. All prices listed are subject to change. Menu prices will be confirmed by your Event Manager

Guarantee

Guarantees are required for all catered food and beverage events. Final attendance must be confirmed three business days in advance, or the expected number will be used. This number will be your guarantee and is not subject to reduction. However, increases in guarantees may be accepted up to twenty-four hours prior to the function, subject to product availability. We will set and prepare food for 3% over the guarantee.

Signage

In order to maintain the ambiance of the hotel, all signs must be professionally printed: no handwritten signs are allowed.

Labor Charges

Carvers, station attendants, additional food and cocktail servers are available at a minimum fee of \$100.00 for each two hour time period.

Service Charges

A 22% Service Charge and current state sales tax will be added to all food and beverages. Meeting Room Rental is subject to State Sales Tax and Service Charge.

Food & Beverage

It is our policy not to permit food and beverages to be brought into our function rooms. In function areas, alcoholic beverages are sold by the drink only. The hotel's alcoholic beverage license requires the hotel to (1) request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person who, in the hotel's judgment, appears intoxicated.

Consuming raw or undercooked meats, seafood, poultry, shellfish or eggs may increase your risk of food borne illnesses.
