EAST COURSE (1994)

Designer:

Technical information:

Francisco López Segalés

6.009 meters/CR/slope 72.0/130 for gentlemen and 5.061 meters/CR/slope 72.6/128 for ladies

The course layout is more suited to beginners and intermediate golfers, due to a design with wide fairways and flat greens. The course starts with “easy” holes and finishes with more challenging holes. Five lakes get into play along the course.

WEST COURSE (2001)

Designer:

Technical information:

Francisco López Segalés

5.913 meters/CR/slope 72.2/136 for gentlemen and 5.007 meters/CR/slope 72.6/133 for ladies

This course requires a handicap of 35 for ladies and 27 for gentlemen. The West course wanders through mainly flat land and among natural vegetation with breathtaking views towards the Randa mountain. The course is a more challenging one with little rough and undulated greens surrounded by bunkers.

GOLF ACADEMY

The Marriott Golf Academy, one of the biggest in Europe, consists of a circular Driving Range that can host 200 players all at once, three putting greens and a short game area that includes bunkers and undulated areas.

A wide variety of classes are offered:

- Beginners school
- Expertise school
- Certificate school
- Custom golf
