TEAM PLAY AND TOURNAMENTS TO REMEMBER.

A team weekend and competitions are always fun – but in the exquisite Eastern Shore setting they become lasting memories. While it is true that the facility and tennis shop service are second to none, the outstanding natural beauty along the Eastern Shore of Mobile Bay is also unsurpassed. Unique dining and shopping experiences topped off with beautiful sunsets every evening make each day special. Please allow us to help arrange an unforgettable tennis event for your friends and teammates!

GROUP GETAWAY TENNIS PACKAGE

Enjoy the relaxed luxury of the Grand Hotel as you receive professional tennis instruction – all at affordable group rates. It's a great opportunity for your team to experience competition from different geographical regions utilizing the National Tennis Rating Program (NTRP) system.

Three-day weekend package includes eight hours of instruction over three days, tennis gift bags, team matches with awards to winners and discounts in the Tennis Pro Shop.

Cost: \$100 per person with accompanying two-night stay at the Grand Hotel.

TEAM CHALLENGE

Every Challenge weekend will feature at least three teams. Each team will have a minimum of six players (three doubles teams). The format will be similar to a round robin in that your team will play against all the others in the event during the course of the weekend. A match will consist of two-out-of-three sets with USTA rules and regulations governing play. A 10-point tiebreaker will determine a third set. The team that wins the most matches is presented with awards on Sunday. In case of a tie, head-to-head match play will determine the winner. If the teams have not played head to head, then both teams will play one 10-point tiebreaker on each court to determine the winner.

The Team Challenge consists of matches on both Friday and Saturday. The last match will be Sunday morning. The awards presentation will take place after all matches have been completed on Sunday.

LAKWOOD CLUB AT THE COLONY TENNIS CENTER

Our center with 10 lighted courts and viewing areas leads the tennis field in design, layout, style and technical aspects of the sport.

• 9 Hydro Clay Courts

Each has a unique subsurface watering system, creating an artificial water table beneath the court. Since optimum court surface moisture can be maintained uniformly regardless of the weather, our courts stay green and moist 24 hours a day. You'll enjoy unparalleled playability throughout the entire court, day or night, 365 days a year.

• Hydro Clay Stadium Court

For day or night tournaments and team competitions.

• 1 Hard Court

A great practice court for all levels of play.

• Bakko Backboard

Recognized as the industry leader in quality backboards, Bakko was our obvious choice for this outstanding facility. These backboards have been refined for over 30 years to mirror actual play. Backboard practice time is important when you consider that you can hit more balls on a backboard in 15 minutes than you would in an entire match!

• Ball Machine

Complimentary use of the ball-machine while staying at the resort.

TENNIS PRO SHOP

Our full-service tennis shop staff looks forward to serving your every need. We will restring or adjust strings on all types and brands of racquets, increase grip sizes, change swing weights, and take care of any racquet repair you may need.
