

Vista Vallarta

Spread across 478 acres, the Vista Vallarta Club de Golf features two 18-hole, Par-72 championship Signature golf courses: the first designed by the golf legend Jack Nicklaus and the neighboring designed by golf great Tom Weiskopf. Both are designed to suit every level of golfer from amateurs to professionals.

Nicklaus Signature Golf Course

This world-class course located on the property's highest elevation offers breathtaking views of Puerto Vallarta and the Banderas Bay. Grassy hillsides, dense forest of palms, giant Ficus trees, and natural creeks create a perfect setting.

Weiskopf Signature Golf Course

Located on the west-end, the golf course is built on extreme terrain with dense jungles, deep ravines and swift creeks to create the ultimate golf experience.

Marina Vallarta

Located within walking distance from the resort, the Marina Vallarta course designed by Joe Finger is set between the beach of Banderas Bay and the Marina. Players feel the breeze of the Pacific Ocean amidst lush vegetation and the natural beauty of the Mexican Tropic. Marina Vallarta offers a challenge and enjoyable golfing experience for all levels of golfers.
