Tax & Gratuity

To ensure the superior service of the Courtyard by Marriott Riverside, 20% service charge will be added to all food, beverage, and audiovisual costs. Current sales tax of 8.75% will apply.

Guarantee

In order to provide for all attendees, a guaranteed count will be needed 1 week in advance of the function. Unfortunately, this number may not be reduced from your original agreed upon count. Should you be unable to provide us with a count, Courtyard by Marriott Riverside will refer to the originally contracted number and prepare accordingly. This will ensure the comfort of all in attendance.

Food & Beverage

Because of market fluctuations, all prices are subject to change. Should our prices increase, written notification will be given. Outside food and beverage is prohibited and Courtyard by Marriott Riverside does not permit the removal of any foods provided by the hotel. Because of the legal liability for all food and beverage served on premise, as well as licensing restrictions, our insurance requires that only Courtyard by Marriott Riverside's food and beverage may be served on Hotel property. If this rule is violated, the property will charge what we deem necessary based on our menu prices, plus 20% service charge & 8.75% sales tax.
